Is this request due to the Covid 19 emergency?	Yes	No
Is this a medical request?	Yes	No If Yes, certificate #
Installment frequency Plan	Monthly	Bi-monthly

Requested repayment length:

To help mitigate the impact of COVID-19, Blue Rock Water Company is offering relief to water utility customers who need to make alternative arrangements for paying their utility bills.

Time Payment Arrangements (TPA)s offer options for paying your current utility bill or balance in smaller payments without fees or interest. This is a great option for customers who may have short term difficulties paying any current or past due balances.

This TPA Enrollment form will offer options for paying your past due bill incurred through the requested date above in smaller payments. Please completed the above information and return to [accounting@bluerockmgt.com](mailto:accounting@bluerockmgt.com) so that we can calculate your monthly TPA payment and provide you details of a payment plan.
