

COVID-19 Time Payment Arrangement Request

Dear Customer,

Effective October 1, 2021, the moratorium preventing utility service disconnections for non-payment is expiring. To help mitigate the financial impact of COVID-19, Blue Rock Water Company is offering Time Payment Arrangements (TPA) to all customers, as a flexible option to maintain your water service and prevent a possible service disconnection.

A TPA offers flexible options that will allow you the opportunity to pay your current bill or past due account balance in smaller payments without fees or interest. Beginning October 1, 2021, we will begin offering TPAs to all customers upon request, but these flexible payment arrangement plans will only be offered through March 2022.

This TPA Enrollment form will offer flexible options for paying your past due balance. Please complete the below information and return to accounting@bluerockmgt.com or by mail at 7511 Greenwood Ave N #4011, Seattle, WA 98103. Once your request is processed, we will mail you a confirmation letter outlining the details of your preferred TPA.

Requested date

Account holder name

Service address

Account number

Phone number

email address

Requested TPA payment term (max 18 months)

Our goal at Blue Rock Water Company is to provide our customers with continuous water service and prevent any unnecessary service disconnections due to non-payment.

If you have any questions about TPAs, or your water service with Blue Rock, please feel free to contact us by phone at (206) 764-3345 between 7am and 3pm or anytime at 7511 Greenwood Ave N #4011, Seattle, WA 98103.

Sincerely,

Blue Rock Water Company
